

Brentnall Community Primary School
Project Homework- Nursery

Monday 22nd November

In Nursery, we enjoy listening to stories the teacher reads to us. We also enjoy looking at books ourselves or with our friends. Please choose one or more of the following projects to complete at home. Please send any photos into the Early Years email account by **Friday 17th December** to share in class: brentnall.earlyyears@salford.gov.uk

Look at the pictures and talk about them. For example, 'Can you find a bird or a cat?', 'What else can you see?', 'What are the children playing? Have you played that before?'

Ask questions when you are reading together, such as 'What can you see on this page?', 'How do you think the characters feel?' and 'What is the story about?'

Visit the local library together. It is fun choosing new books to read. Keep an eye out for special story events at the library that you can join in with.

Reread your child's favourite stories as many times as your child wants to hear them.

Reading

Encourage family and friends to share books with your child. The more your child sees you and others reading, the more they will want to read too.

Sit close together and get comfy! You could encourage your child to hold the book themselves and turn the pages. Use funny voices, puppets or props to bring the story alive.
