

Year 3 Newsletter

June 2022

Welcome back Year 3! We hope you have had a lovely holiday.

Attendance / Punctuality

It is very important that children are in school and on time every day to maximise learning. As the doors open at 8.50am, the children can greet the teacher choosing from a high five, fist bump, hug and a little dance! Also, we like to start the day right with a morning anthem!

Helping at home:

Your child will have a home reading book, please listen to your child read their school book **every night**, then write a small comment and sign their diary to show that they have read. It is important to question your child's understanding of what they have read. Pupils who read regularly at home tend to make the most significant progress.

Each Monday, children will be given spellings to practise over the week for a test on Fridays.

In addition, it would be very helpful to practise times table.

P.E

This half term we will be completing a Boogie Bounce Unit. We are also going to be doing some exciting PE lessons with Coach Dan.

Science

Our science topic this term is about scientists and inventors.

Topics

Geography- The UK

RSE – It's my body

Music- Musical processes

RE – why is the bible so important to Christians?

Computing – word processing

DT- Edible Garden

Project Homework

During the half term, a project-based homework will be set for children to complete at home over a few weeks.

Routines:

- PE lessons are every **Tuesday and Thursday**. Please ensure that your child has their PE kit in school.
- Children need to bring their reading books to school every day with a comment and signature in their diary, This will earn your child a dojo.
- Spelling Test and Times Table Challenge take place on Fridays
